Important Questions	Answers	Why This Matters:
What is the overall deductible ?	In-Network: \$0 Individual/\$0 Family; Out-of-Network: \$1,000 Individual/\$2,000 Family	Generally, you must pay all the costs from provider up to the deductible amount before this plan begins to pay. If you have other family member(s) on the plan , each family member may need to meet their own individual deductible . OR all family members may combine to meet the overall family deductible before the plan begins to pay, depending upon plan coverage . Please refer to your contract for further details.
Are there services covered before you meet your deductible ?	Yes, all In-Network services are provided without a deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. Pediatric Dental: In-Network: \$25 Individual; Out-of-Network: \$50 Individual. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services .
What is the out-of-pocket limit for this plan ?	Medical and Prescription Drug combined: In-Network: \$8,900 Individual/\$17,800 Family; Out-of-Network: \$17,800 Individual/\$35,600 Family	The out-of-pocket limit is the most you could pay in a plan year for covered services. If you have other family member(s) on the plan, each family member may need to meet their own out-of-pocket limits , OR all family members may combine to meet the overall family out-of-pocket limit , depending upon plan coverage. Please refer to your contract for further details.
What is not included in the out-of-pocket limit ?	Premiums, balance-billed charges, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.carefirst.com or call 1-855-258-6518 for a list of provider network .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
